

Summer Reading Log for Students Entering 2nd Grade  
2010-2011

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Students preparing for the second grade must read at least two books each week this summer to sharpen and maintain their current reading skills. Use the log below to record your 20 books, and bring it to your second grade teacher in September for your first Language Arts grade.

Some suggested authors, popular with young readers, are: Norman Bridwell, Marc Brown, Eric Carle, Tomie de Paola, Leo Lionni, Arnold Lobel, Patricia MacLachlan, Peggy Parish, Dav Pilkey, Maria Rius, and Marjorie W. Sharmat. Any age appropriate books written by other authors are also acceptable.
